

## WHAT MAKES US UNIQUE MAKES US BETTER

### ADVANCED SOLUTIONS IN VALVE AUTOMATION

Predictive Maintenance, Condition Monitoring, Data Collection Networking, Sizing.

### WE DELIVER

For more than 60 years we've built our reputation as the market leader by delivering the top brands and customizing our inventory and delivery capabilities.

### WE'RE EXCLUSIVE

Nowhere else will you find the products and services we offer.

### WE'RE STRONG YET NIMBLE

We offer the major advantage of being part of a \$170 million company — yet we're flexible and focused enough that we always make you and your project a priority.

### WE'RE EXPERIENCED

Our experience is unparalleled. Yet no job is too big or too small – from 1 assembly to 1,000 assemblies, from 1/2" to 108".

### WE'RE CONNECTED

Our direct relationships with manufacturers and suppliers ensure our staff are fully trained and authorized, and that you receive full support and warranty service after the sale.

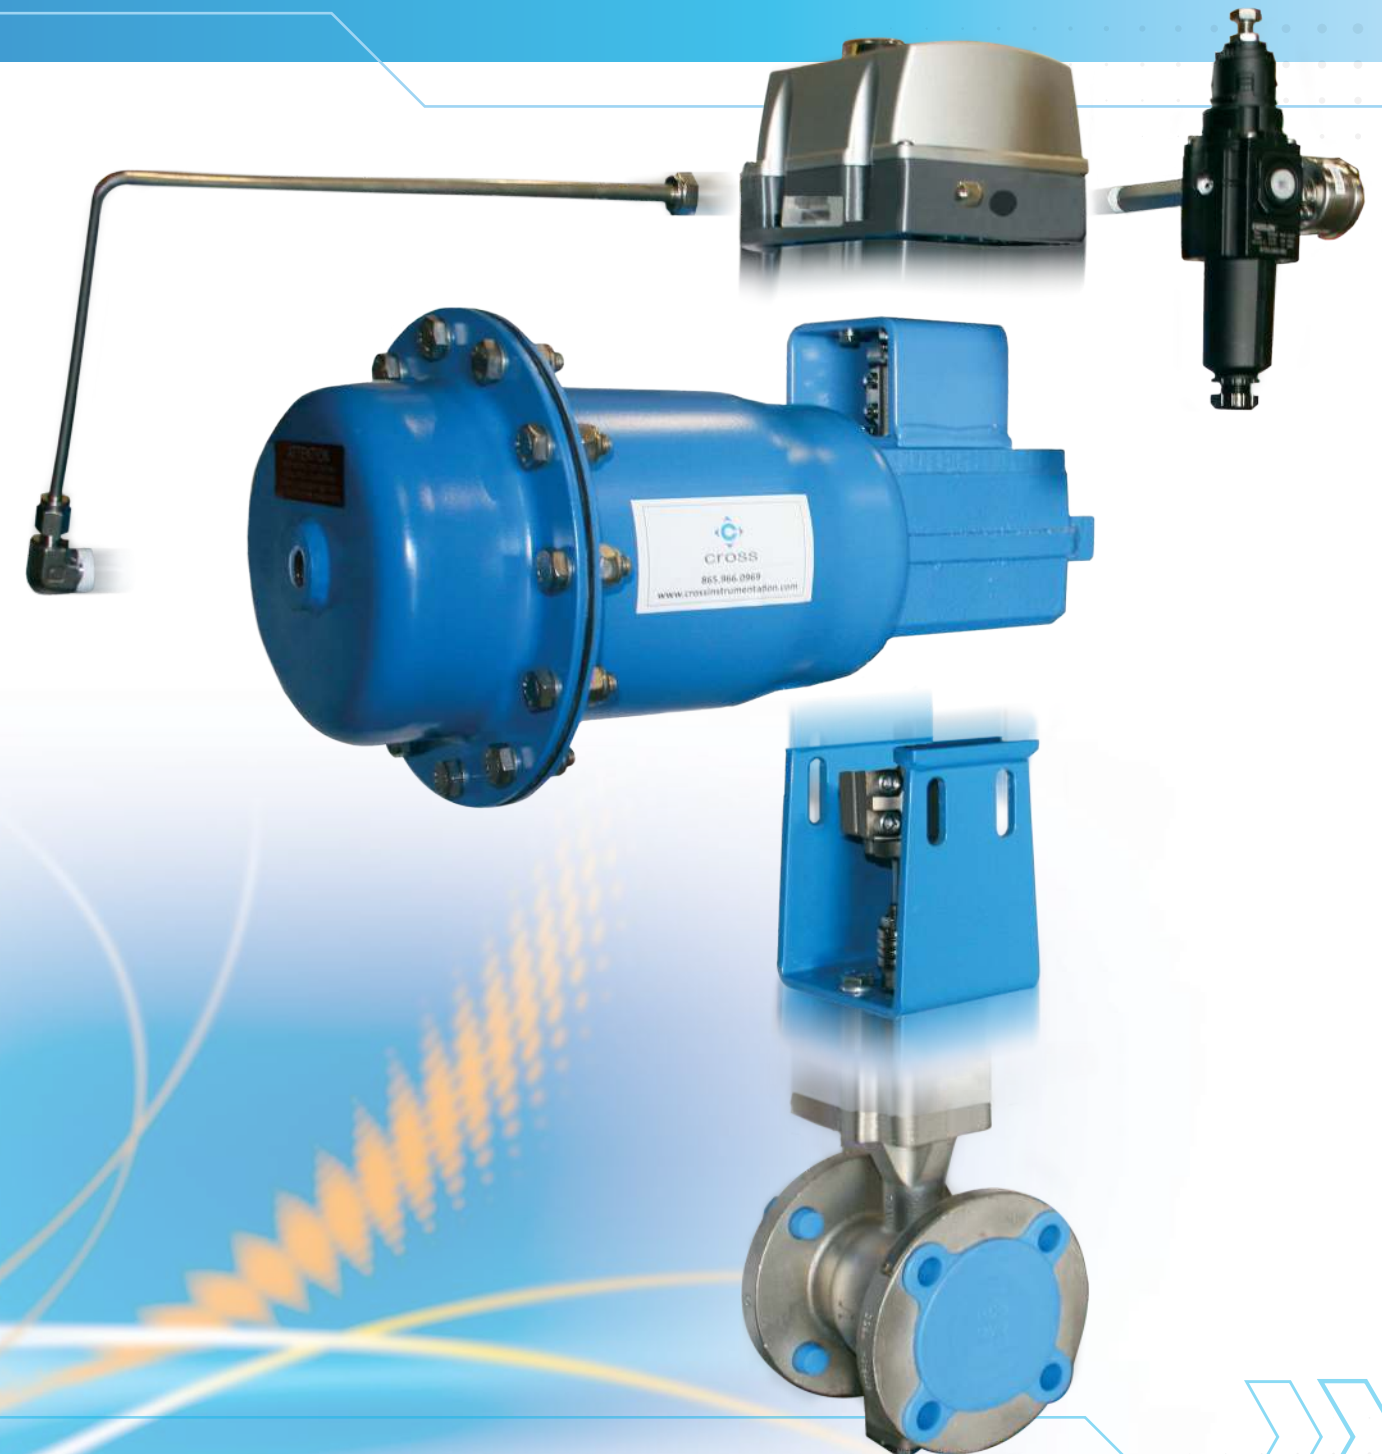

### SHOPCROSS.COM

ShopCross.com is available on your schedule. Our website provides the product information you need and the shopping experience you want.

### WE CUSTOMIZE

Whether you need mounting hardware or a unique solution, tell us about your project and we'll make it happen.
