

**DEDICATED TO YOUR PERFORMANCE**

Founded in 1954, Cross Company is a 100% Employee Owned Company. The Automation Group specializes in motion control technologies to improve your machine and manufacturing process performance. We have a dedicated team of experts able to apply Electro-Mechanical, Pneumatic and Robotic solutions to solve your toughest applications.

**VALUE ADDED SERVICES**

- ▶ Mechanical Subassemblies, Mechanical Mounting (i.e. Motor + Gearbox + Actuator), Hand Crank and Brake Assemblies, Custom Mounting Plates, Custom Gripper Fingers
- ▶ Obsolescence Conversion Assistance
- ▶ Start Up Service and Software Training
- ▶ Program / Application Loading Services (Customer Provided)
- ▶ Custom Labels & Kitting – contact information, part numbers, logo, etc.

**TECHNOLOGY AND TRUSTED BRANDS**
**HMI, INDUSTRIAL PCS, NETWORKING & SOFTWARE**

Touchscreen HMIs, Industrial PCs, Control Cabinet Electronics, Fieldbus Systems, Protocol Converters, VPN Router/Firewall, SCADA, Reporting & Analytics Software

**ADVANTECH**

**MACHINE CONTROLLERS & PLCS**

Machine Automation Controllers & Programmable Logic Controllers

**OMRON**

**YASKAWA**
**MACHINE SAFETY & GUARDING**

Mats, Safety Light Curtains, Area Scanners, Door Interlocks, Fencing

**OMRON SII**  
OMRON SCIENTIFIC TECHNOLOGIES, INC.
**GSM Inc.**  
Guarding Safety Motion

## MECHANICS

Ballscrew & Belt Drive Positioners, Rod & Rodless Actuators, Gearheads, Rotary Tables, Linear Servo Systems, Rails & Bearings

## MOTION CONTROLLERS, DRIVES & MOTORS

Single & Multi-Axis Motion Controllers, Servo & Stepper Drives, Linear, Direct Drive & Rotary Servo & Stepper Motors

## ROBOTICS & END OF ARM TOOLING

Collaborative, 6-Axis, SCARA, Delta, Cartesian, Pneumatic & Electric Grippers, Vacuum Solutions, Custom End-Effectors, Robot Stands, Bases, Mounts

## VISION, BARCODE & RFID

Smart Vision Sensors & Cameras, Multi-camera Systems, 1D & 2D Barcode, RFID

Manufacturing automation experts partnering with you to develop innovative solutions backed by world-class customer service.
