

See how Cross Company is helping our customers respond to the COVID-19 pandemic

Meet KO, our Territory Manager in Raleigh

Cross recently had an internal contest for presenting 'your best elevator pitch'. We liked KO's so much, we wanted to share it with you (He actually won the contest with his creativity).

What type of hat can we wear for you today? Contact Cross Hose & Fittings to learn how we can help your operation increase efficiency, reduce risk, improve quality.

Flexaust opens new North Carolina manufacturing facility

We are excited that Flexaust has recently opened a new manufacturing facility in Burlington, NC! Now we have quick access to even more ducting hose and can get it to you fast even if what you need isn't in one of our warehouses.

Flexaust products are made from high-quality materials such as PVC, thermoplastic rubbers, polyurethanes, neoprene polyesters, polyethylene, and silicone fiberglass. These hose products have durability and longevity, making them suitable for use in even the harshest conditions. They are typically used in the food &

bev, lawn & leaf collection, high temperature operation, agriculture, temporary structure cooling and more.

Contact one of our experts today to discuss your application and have it shipped overnight if you need it quick!
