

Mobile Systems Integration

See how Cross Company is helping our customers respond to the COVID-19 pandemic

Murphy Products are Available on ShopCross

[Cross Mobile Systems Integration](#) is pleased to announce that our Murphy product line is now available for immediate purchase on our online store, [ShopCross](#). Murphy is a leader in J1939 CAN technology with market-leading display, controller and instrumentation products.

Numerous products are now listed including displays, gages, switches, voltmeters, pushbuttons, fuel shutoff valves, jumper harness and more.

We invite you to take a look around the Murphy section and if you have specific questions, we are happy to help!
