DISCOVER THE POTENTIAL OF A **MESH** IN METROLOGY SOFTWARE

Kreon

WHY TO GENERATE A MESH?

1 **Data weight optimisation**

2 **CAD comparison**

Low mesh scanning quality

High mesh scanning quality

3 **Adaptative mesh density**
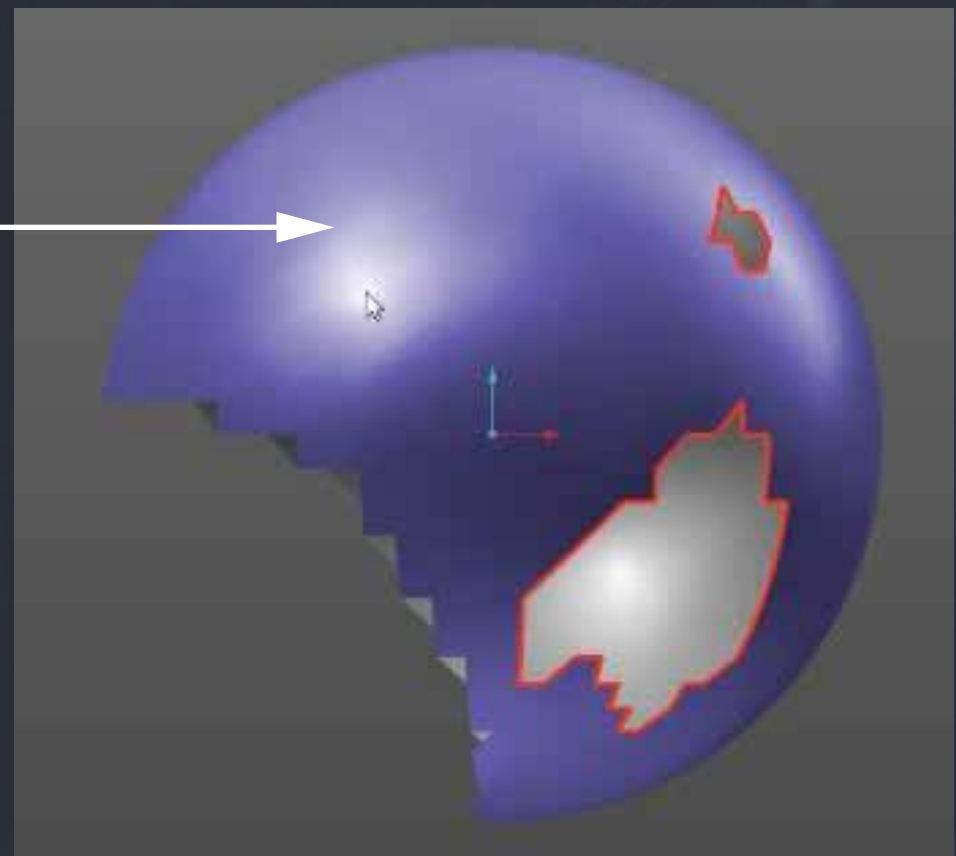

4 **Noise reduction**

Kreon

HOW TO UTILISE A MESH?

1 **Extract GD&T features**

2 **Fill the holes.**

Before
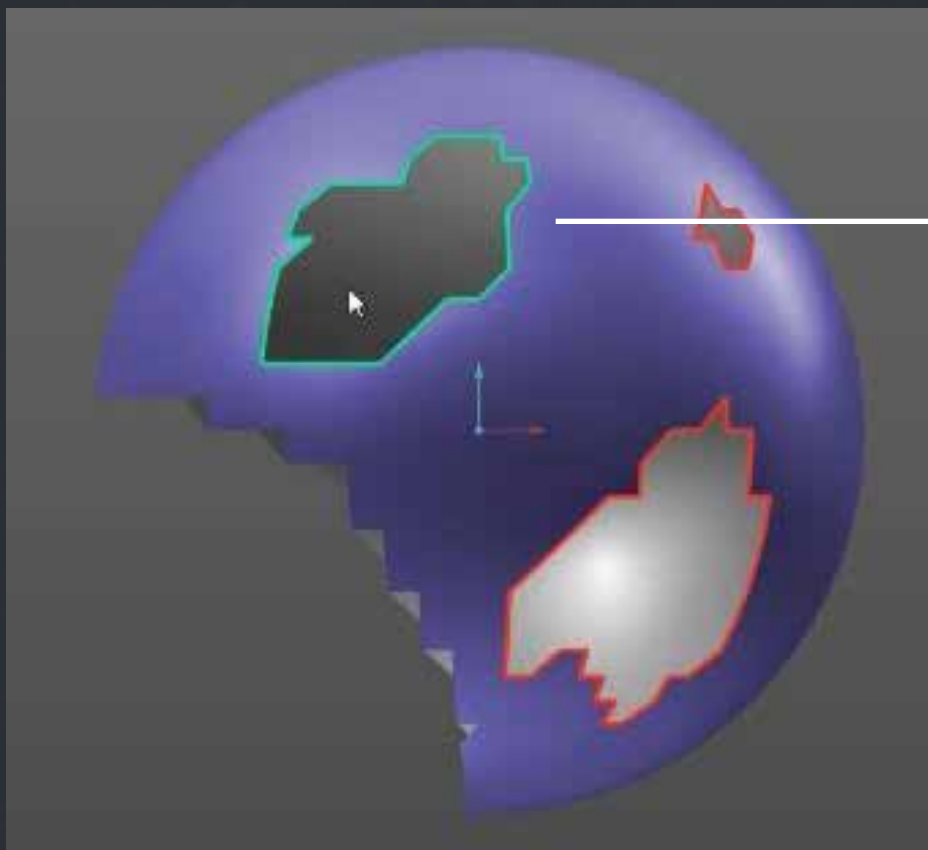

After

3 **Perform reverse engineering**

4 **Cross-section analysis**
